TO OUR DONORS WITH GRATEFUL APPRECIATION

The Washington State Community College Foundation sincerely appreciates those who generously support our college, our students, our programs, and our future. The list of donors in this report represent gifts made between July 1, 2014 and June 30, 2015. The level of gift, as listed, is based on the actual amount received during the period. Pledges are not included in determining a level. Matching gifts are counted when the matching gift form is received. Every effort has been made to assure accuracy. Please accept our sincerest apologies and notify us if you have been listed incorrectly or omitted.

The Washington State Community College Foundation is committed to shaping the future and promoting the continuous development of students, faculty, staff, and alumni by providing philanthropic assistance to support the College's mission and objectives and by positively impacting the communities we serve.

ON THE COVER

Photos taken during the Foundation's annual Scholarship Recognition ceremony reveal the pride and appreciation felt by scholarship sponsors and recipients alike. Sponsors and recipients are: Scott Oran of Kraton with Dillon Sturm; Dr. George McAfee with Dalton Ramage; Dr. Jeanette Hale with Latham Bissell; Mr. Henry Goehring with Lexi Gutberlet. More photos appear inside the front and back covers and on the Scholarships Awarded pages.

FOUNDATION PRESIDENT

Dear Friends,

I am excited to share with you how the Foundation provided support to WSCC students in 2015, which celebrates the generosity of a collective force of donor gifts along with corporate gifts and grants, helping our students to earn a college credential.

Five new scholarship opportunities for students were added this year.

The Eighth Tina K. Schaad Memorial Scholarship Cake Auction was held in April to benefit the Student Emergency Fund, Textbook Fund, and Senior Educational Fund.

Twenty-five cakes were entered along with non-baked goods donated for the silent auction.

Students may experience unexpected financial difficulties while completing their degree. This year alone, the Foundation has provided over \$7,000 in emergency funds to the students.

In September, the annual Foundation Scholarship and Donor Reception was held where 30 students were awarded nearly \$50,000 to help defray the cost of their education. This is a very special event where students get to meet the donors face-to-face and show their appreciation for the donor gifts and the donors can congratulate the students on their hard work. See page 6 and 7 for a list of scholarships and recipients.

As you flip through the pages of this report, you can see the impact our donors had on our students and how the Foundation is supporting students and the College, sustaining academic excellence, and student success toward college completion.

Sincerely,

A handwritten signature in black ink that reads "Sondra L. Holbert".

Sondra L. Holbert '05, President
Washington State Community College Foundation Board

Cultivating Education Through Philanthropy

FOUNDATION YEAR IN REVIEW

NEW SCHOLARSHIPS

Our very thoughtful and generous donors are the lifeblood of our Foundation. Without their commitment to student success and the life-changing financial support they so selflessly invest in our various scholarships and funds, many local students would not be able to realize their dreams of a college degree and a professional career.

Top Right: The Peter Polites and Virginia Mayle Family Scholarship was established and endowed to assist full time students with financial need. Mr. Polites, a retired CPA, is treasurer of the Foundation board of directors.

Center Right: WSCC Executive Director of HR Jeff Farley and wife Amy established two scholarships. The James R. Farley Sr. Memorial Scholarship for first generation college students was established in memory of Jeff's father. The Kenneth Funk Memorial Scholarship for students who have participated in organized sports is in memory of Amy's father.

Bottom Right: Foundation board member and Distinguished Alumnus Dr. George H. McAfee established The Barrett-Hager Scholarship for Excellence and Leadership in Industrial and Engineering Technologies for students in the Industrial Technology program. Dr. McAfee's scholarship honors two faculty members who greatly influenced him when he was a student at WSCC.

These scholarships help local students realize their dreams of a college degree.

FOUNDATION YEAR IN REVIEW

RECOGNITION, MILESTONES, OUTREACH, AND PLANS

Megan Krivchenia, a long-time member is retiring from the Foundation board at the end of 2015. Her passion for students has been at the forefront of her 9 years of service. Her dedication and her service as Secretary is deeply appreciated. She is one in a million and will be greatly missed.

Three of our newer scholarship sponsors increased their support in the past year. Kim and Ray Blackburn (pictured inside the front cover) added substantial funding to the

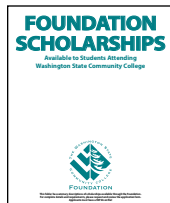

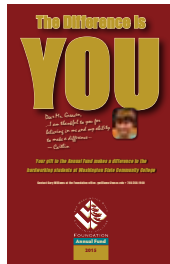

Wendy's Adoption Scholarship during the second of a three year fundraising promotion; the O'Briens added to the Tim and Jane O'Brien Nursing Scholarship; and Mr. Henry Goehring (right) was so pleased with the impact his scholarship had in the first year that this year he increased the number of scholarships established in memory of his wife so that more students could benefit.

The WSCC Foundation Alumni & Friends Association held local fundraisers in support of a new scholarship in the Association's name. See more about it on page 13. Gifts to the Annual Fund remain consistent from year to year, but the Foundation has plans to expand the reach of the campaign in response to increasing needs of local students.

The board is working side by side with College leadership to increase gifts made by administrators, faculty, and staff through payroll deduction. The board is also working on a scholarship that helps veterans transition to professional careers.

To help spread the word of scholarship opportunities in the community, a four-page folder summarizes Foundation scholarships and provides information about applying for them is distributed to school guidance counselors, WSCC faculty members, and at community presentations.

Since gifts in support of the Evergreen Arts and Humanities Series (EA&HS) are made to the Foundation for distribution to the program, the Foundation provided additional marketing assistance to the EA&HS committee in the past year, primarily in support of the largest and perhaps most significant event in EA&HS history, the overwhelmingly successful presentation of The Vienna Boys Choir.

COLLEGE PRESIDENT

Dear Friends,

Washington State Community College is very grateful for the continued generosity of its donors and their commitment to our students.

After four years as president of WSCC I am excited about our future as we become more playful, more strategic, and more adaptable to the demographic and economic trends of the region.

Each year the faculty, staff, and Board of Trustees reviews our mission, vision, values, and identifies goals that are directly related to student success. Our vision is to ensure individual excellence and success.

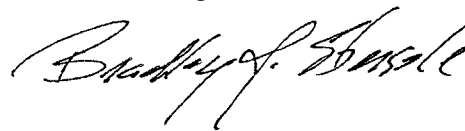

During the past year we have invested significantly in instructional equipment primarily in the health sciences, technical programs, and in science labs. We continue to allocate funds to major maintenance projects such as elevator and roof repairs, and are planning to update the Commons Area so that it is made more attractive and technologically friendly.

We have also been fortunate to have hired five new faculty, and another five key staff. Each of these individuals brings new energy and new ideas to this already thriving college. The Evergreen Arts and Humanities Series continues to be a wonderful success, as in the past year the Vienna Boys Choir performance was a tremendous highlight.

My commitment to our donors is stronger than ever as we are putting forth continued effort to identify our many alumni. WSCC is a vital and active force in this community. We care about our students and their success, and the college's commitment to southeast Ohio.

Your support is recognized and appreciated.

With warmest regards,

Bradley J. Ebersole, Ph.D., President

HERITAGE SOCIETY

LEGACIES — PHILANTHROPY FOR THE FUTURE

The Heritage Society recognizes those who have generously supported the future of Washington State Community College through a Planned Gift.

Our Honor Roll of Heritage Society members includes:

- Harold J. Copen
- Daniel K. Graham & Family*
- John F. Greacen*
- Louise E. Holmes*
- Thomas Steckel, Ph.D.*

For many, deferred gifts and bequests are attractive options in planning long-term financial and retirement programs that not only enhance the lives of the donors and their beneficiaries but also positively influence and shape the futures of their charities of choice.

Giving opportunities and options are varied and may be tailored to suit the desires and objectives of individual benefactors.

Gifts may be designated for a specific purpose, or may be given without restrictions. In addition to knowing that your gift will be appreciated and have a positive impact upon the future of the college, income tax deductions and capital gains exemptions are just two of the possible additional benefits.

If you have already included Washington State Community College in your plans, we welcome you as a member and ask that you let us know of your intentions. In that way, you not only help us with future planning, but also allow us the opportunity to thank you properly.

Donors of charitable gifts are urged to consult a financial professional or attorney to explore the ways in which a gift made in their lifetime may be advantageous not only to them and to their heirs, but also to Washington State Community College.

Those considering a gift to the Foundation may do so in the name of "The Washington State Community College Foundation."

Contact us for additional information, in confidence:

OPTIONS FOR CHARITABLE GIFTS

GIVING OPTIONS — GIVING OPPORTUNITIES

Gifts to Washington State Community College Foundation, regardless of size, benefit our students, the college, and ultimately the communities in which our students live and work. Every gift is significant because every gift helps to promote quality education, a skilled workforce, and a future of growth and success in southeastern Ohio.

Collectively, donor gifts help to sustain the present and secure the future for the college and for all those who want to improve their lives and the lives of their families.

Outright gifts often include gifts of cash, securities, or property for which the donor receives tax advantages. For example, in the case of gifts of appreciated securities, the donor is entitled to a charitable income tax deduction based upon the fair market value of the securities, and capital gains taxes are avoided.

Deferred gifts involve the irrevocable transfer of an asset to a charitable organization. The donor may retain either an income stream or the remainder interest. Current tax laws permit several planning alternatives for deferred gifts allowing the donor to receive a charitable income, gift, or estate tax deduction. These planned giving options include Charitable Remainder Trusts, Charitable Lead Trusts, Life Insurance, and others.

Bequests are gifts made to a charity as a named beneficiary in the donor's will or trust, and may provide for an outright or a split-interest gift. The donor's estate may receive an estate tax deduction for the value of the gift.

Employer Matching Gift Programs: Many employers have matching gift programs that match their employees' gifts of cash or appreciated securities, adding additional support in the name of the donor. When a donor gives a gift to a charity, he or she notifies the Human Resources department of the gift and completes the employer's matching gift form.

Donors are encouraged to discuss their planned gift and major gift plans for a charity with their attorney or financial planner.

What donor gifts accomplish:

- Defray the cost of education for those who need financial assistance to build a future for themselves and their families.
- Provide new facilities & educational equipment through institutional capital improvement.
- Provide leadership training and educational travel opportunities for students and faculty alike.
- Secure the college's future through deferred gifts.
- Support campus arts and cultural events provided to the community without charge.
- Kept at-risk students in college.

DISTINGUISHED ALUMNAE 2015

Heather Nicole (Daugherty) Allender '05 is the 2015 recipient of the Distinguished Alumna Award for Outstanding Community Service.

A member of Phi Theta Kappa, Heather received an Associate in Arts degree from WSCC. She proceeded on to Marietta College where she is currently seeking a Bachelor of Arts degree.

In 2007 she began her professional career assisting the president, managing the office and performing bookkeeping duties at the Marietta Community Foundation. Her ability to handle financials, manage records, maintain external communications, and represent the Foundation in the community was rewarded when she was named Director of Finance and Operations in 2011. In 2014, she became President and CEO of the Foundation.

Heather served the community as an AmeraCorps VISTA volunteer and is presently president-elect of the Rotary Club of Marietta.

Heather's parents taught her the importance of helping others and instilled in her the belief that she could make the world a better place. To that end, she has dedicated her life to community service and, in her capacity at the Marietta Community Foundation, is well on her way to achieving that goal.

Heather credits WSCC faculty members Dr. Deborah Thomas, Dr. Dean Hirschi and David Edwards for contributing to her personal and professional development.

Telah L. Archer Taylor '00, MHA, CPC is the 2015 recipient of the Distinguished Alumna Award for Outstanding Professional Achievement.

While working full-time and raising a family, Telah earned an Associate in Applied Business degree from WSCC, graduated Summa Cum Laude from Franklin University with a Bachelor of Science degree in Healthcare Management, continuing on to earn a Master of Health Administration degree from Ohio University.

Telah is a Certified Professional Coder, a member of the WSCC OAST Advisor Committee and is currently preparing to take the American College of Healthcare Executives exam.

Her 17 year professional career includes positions with Camden Clark Memorial Hospital, Marietta Health Care Physicians and Memorial Health System where she is currently Vice President, Clinical Quality and Medical Staff Services. Telah has also served WSCC as a very popular adjunct faculty member.

Whenever possible, Telah volunteers at the Free Medical Clinic, Humane Society, food pantry, community meals, Washington County Department of Health and Human Services, and local schools.

Colleagues at Memorial Health System view Telah as an outstanding preceptor and mentor with a strong desire to help others succeed, advance their careers and attain a high level of personal satisfaction.

ABOUT THE AWARDS

Distinguished Alumni Awards are offered for exceptional achievement in a chosen field or in volunteerism/service to the community.

Nomination forms are available on the web at wscc.edu, wsccalumniandfriends.org, by email at bbice@wscc.edu, or by telephone, 740-885-5706. Everyone is invited to submit nominations.

The deadline for nominations each year is in early March. Submit nominations to:

Washington State Community College Foundation
710 Colegate Drive
Marietta, OH 45750

Distinguished Alumni Award winners are determined by how well they exhibit the qualities of community and professional leadership that are symbolic of the goals and objectives of Washington State Community College.

Distinguished Alumni:

- Enhance and promote excellence in self and others
- Create an environment that inspires others to reach their potential
- Promote continuous improvement and lifelong learning
- Enrich the lives of others through community service
- Acknowledge and cultivate social and cultural diversity

Award winners are selected by the Distinguished Alumni Award Committee composed of past Distinguished Alumni Award winners, alumni, and community members.

In the past year, the WSCC Foundation Alumni & Friends Association held local fundraisers in support of a new scholarship in the Association's name. The scholarship was established to assist students with "paying it forward" after graduation. The first scholarship was awarded to Alexis Blake by Dr. Ebersole (right). Currently, Alumni and Friends Association activities are focused on finding contact information for former WSCC students.

ABOUT

In 2013, the Foundation's Alumni Relations Committee recognized the great need to bring alumni back to Washington State to share their experiences with the present students and to provide their support to insure the longevity of the College.

It was also recognized that friends of the College could be interested in supporting the College and its students as well. In 2014, the name of the committee, therefore, evolved to the Foundation Alumni and Friends Relations Committee, and the WSCC Foundation Alumni and Friends Association was established.

The Association's motto is, "Working together today, for the students of tomorrow... one student at a time." Its mission is, "To engage the members in mutual exchange of gifts and talents in order to provide valuable resources to alumni and current and future students."

The affairs of the Association are directed by the Foundation and the Foundation Alumni and Friends Relations Committee. Membership in the Association is free and open to all who took a class or offered support to those who did. There is no cost or obligation to register.

Gifts made to the Association are tax-deductible to the fullest extent of the law, and are used exclusively to support the mission of the Association.

Contact A&F through the Foundation: 740-885-5706, or bbice@wscc.edu. To enroll in the Association, subscribe to our news feed, or view our publications, please contact the Foundation office or visit us online.

Washington State Community College Foundation is a 501(c)(3) not-for-profit charitable corporation administered by a Board of Directors composed of community leaders and institutional representatives. Gifts made to the Foundation are tax-deductible to the extent allowed by law and are used exclusively to support the College's mission, its programs, and its students. The Washington State Community College Foundation is committed to shaping the future and promoting the continuous development of students, faculty, staff, and alumni by providing philanthropic assistance to support the College's mission and objectives and by positively impacting the communities we serve.

Former Marietta Memorial Hospital Vice President Lynne Zoller awards the 2015 Lynne Zoller Nursing Scholarship to Tawni Mincks.
